### GRANT MANAGEMENT MEMORANDUM

2009-05

---

**Date:** June 12, 2009

**To:** All California Emergency Management Agency Subgrantees

**From:** Homeland Security Grants

**RE:** Training Requirements in the FY09 Homeland Security Grant Program (HSGP)  
State Supplement

---

The California Emergency Management Agency (CalEMA) released the California Supplement (State Supplement) to the Federal Program Guidance and Application Kit on May 14, 2009, which requires subgrantees to expend ten percent (10%) of their award on training, including training on equipment. Effective from the date of this Grant Management Memorandum, CalEMA has waived the requirement; however, the waiver of the ten percent training is not retroactive and applies only to the FY09 HSGP.

For further information or assistance, please feel free to contact your CalEMA regional representative. Thank you in advance and we look forward to the DHS/FEMA award announcements expected later this month.

Sincerely,
